UNITED SERVICE CLUB QUEENSLAND
HERITAGE TRUST FUND

Dear Member,

Club Members have always appreciated the enviable location the Club enjoys within an historic Brisbane CBD precinct and the attractive buildings of heritage significance that are the Club's home.

In 2008 the Committee recognised that the preservation of the Clubhouse for future generations of Members required ongoing funding outside of normal operations. In July 2010 the Club Heritage Trust Fund was launched with the intent of establishing a fund, under the auspices of the National Trust of Queensland, to receive donations from Members and friends of the Club.

Donations to the Club Heritage Trust are for the purposes of preserving and maintaining buildings, furniture, artwork and other attractive items of heritage, artistic or architectural interest. Donations to the Trust Fund for its purposes are tax deductible and can be made by completing and returning the below slip or by contacting the Club's accounts department directly.
